Subject: FW: Satsop Phase I I PSD Application

You should have received a PSD Application from the Washington State Energy Facility Site Evaluation Council (EFSEC) for the Satsop Phase II Combustion Turbine Project. As you are aware Ecology has 30 days from receipt (Dec.24,2001) to make a completeness determination. Ecology will need to complete it's determination on behalf of EFSEC on or before January 24, 2002. Please provide your written comments to me by close of business on January 24, 2002. Thanks Alex Piliaris(360/4076811)
